

PROTOCOL of COOPERATION

The Socialist Group in the European Parliament, the Partidul Social Democrat (PSD) of Romania and the “Ovidiu Șincai” Social Democratic Institute herewith agree to work closely together within the framework of the “Willy Brandt Programme for a successful Enlargement” with the specific objectives of:

- supporting the PSD activities in favour of the ratification of Romania’s accession to the European Union.
- fully preparing the Social Democratic representatives from Romania to the European Parliament (before accession as observers and after accession as full Members of the European Parliament) in order to create the conditions for them to fully integrate in the work of the Socialist Group and to carry out their duties in the most effective way.
- supporting the PSD in its campaign for the elections for the European Parliament with the aim to further reinforce the Socialist Group in the European Parliament.
- informing the activists and the Members of the PSD and others who are sympathetic to its political objectives about the activities of European Social Democrats in the European Union.

The “Ovidiu Șincai” Social Democratic Institute will have a specific responsibility in the joint organisation of information seminars, training programmes and the dissemination of information.
